

## Graintell Application Instructions

1. Download and install the Graintell application on your mobile device.
2. Open your registration email on the same device you have the application installed and click on your unique registration link. You should see the screen below. When you do, enter your email address in the field and click the "Send verification code" button.

Please provide the following details.

Verification is necessary. Please click "Send verification code" button after entering your email address.

**Send verification code**

I agree to the terms & conditions \*

**Create**

**Cancel**
